

ACCESS IRAQ, ACCESS THE WORLD

IRAQ'S TRADE FACILITATOR

Hutchison Ports Basra is a two-berth port facility located in the heart of Basra, Iraq's premier commercial centre. This advanced port offers the most direct access to the centre of the country's second-largest city. It also serves an extended hinterland containing over 13 million people and a growing oil and gas industry. Hutchison Ports Basra is a member of Hutchison Ports, the world's leading port investor, developer and operator.

SERVICES

Hutchison Ports Basra greatly facilitates Iraq's imports and exports through a wide array of services. We offer:

- Container handling;
- General and project cargo handling;
- Refrigerated container handling; and
- A range of logistics services.

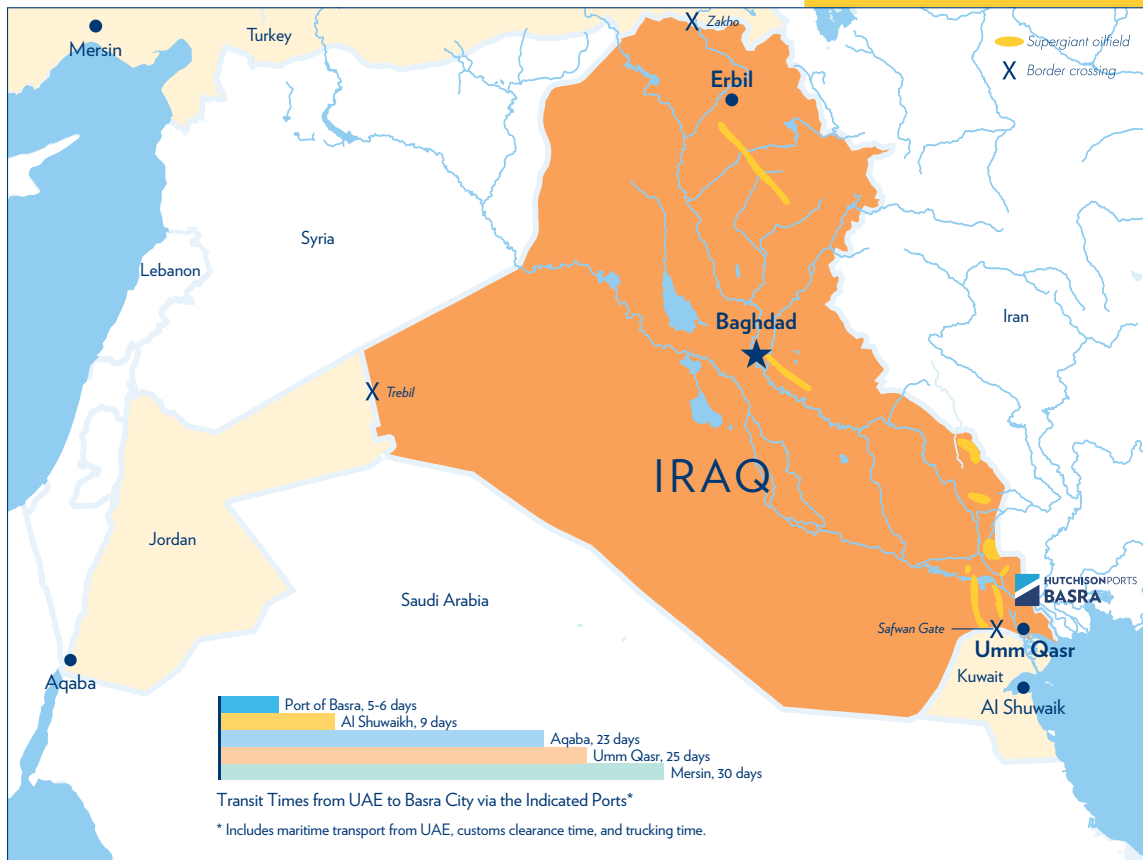

SAFETY AND SECURITY

Hutchison Ports Basra adheres to stringent safety and security standards to ensure the well-being of cargo, customers and employees. Our facility is a secured area in a secure port. Whether for high-value oil and gas production components or for everyday consumables, a double ring of protection keeps cargo safe. We also follow the cargo security standards of the Transported Asset Protection Association.

OUR LOCATION ADVANTAGE

Hutchison Ports Basra is situated on the Schatt Al Arab waterway and is connected by a regular feeder service to Jebel Ali. This location is within easy trucking distance to all points in the city, to the ports of Umm Qasr and Al Shuwaik, and to the northern commercial centres of Baghdad and Erbil.

HUTCHISON PORTS BASRA PROVIDES A RANGE OF SERVICES TO BOTH CARRIERS AND IRAQI END-USERS
